Dept. of Florida American Legion Post 115

Dear Commander Pepin,

The 2021-2022 Audit Committee of Flagler Post 115, consisting of Past Commander Raymond Work, Historian Jim Boyd, and Assistant Judge Advocate Guy Middleton, met on 31 May 2022 to perform an audit of the Post's accounts.

All account data was gathered, and transactions were compared by receipt, invoice, bank statements, and all pertinent data available. Every item on the manual journals from July 2021 – 31 May 2022 was gone through to ensure journal transactions matched receipts, invoices, bank statements, meeting minutes and found that the financial statements provided to the Post by the Finance Officer are free of any material misstatement.

As a committee and individually, in our opinion, we find that the books as presented by Post Finance Officer Ophelia Beier are valid and factual.

Respectfully,
For God and Country

Ophelia Beier
Finance Officer
